A comfortable, pleasant place to rest at days end is essential for ones overall health and well being. A bed is one of the most significant purchases in a home, and it must be sturdy and pleasurable to spend time in. The float platform series focuses on simplicity, craftsmanship and quiet beauty. Made with the finest solid woods, we rest a thick platform atop a plinth base for strength, and let the gently cantilevered silhouette provide a backdrop for mattress and linens. Headboard sold separately. Signed and dated.
