Graceful. Approachable. Stringer is a low coffee table with clean lines that pay homage to Danish and early American designs. Mindful proportions result in a piece that is elegant yet casual. Expertly crafted side through tenons offer a lovely detail along the lower sides. Signed and dated.

Custom dimensions and woods available.

shapiro joyal studio furniture is made to age gracefully. All our lumber is carefully chosen, with grain clarity, strength and overall beauty at the forefront. Our designs stay intentionally quiet, working in tandem with beautiful materials to create a cohesive and timeless design. Woods will become enhanced with age, resulting in a rich patina that is treasured by collectors and easily recognizable as coming from a company that makes quality its priority.
