A beautiful merging of positive and negative space allows the Totem bookshelf to offer generous storage while remaining light in appearance. With thick shelves for books, pottery and collectables, the fully finished back also makes it suitable as a room divider. Three deep drawers along the base are provided for items that are better tucked away. Signed and dated.

Custom dimensions and woods available.

shapiro joyal studio furniture is made to age gracefully. All our lumber is carefully chosen, with grain clarity, strength and overall beauty at the forefront. Our designs stay intentionally quiet, working in tandem with beautiful materials to create a cohesive and timeless design. Woods will become enhanced with age, resulting in a rich patina that is treasured by collectors and easily recognizable as coming from a company that makes quality its priority.

Handmade in Los Angeles since 1998.
